Our Balanced Care Method™ Elevates the Aging Experience

Closely supervised by our Clinical Client Care Manager, Home Care Assistance Calgary Licensed Practical Nurses are trained in our exclusive **Balanced Care Method™**, with an emphasis on nutrition, physical activity and mental stimulation to enhance your loved one's health, happiness and overall quality of life.

Our **Balanced Care Method** approach to care is based on the studies of some of the longest living people on Earth.

*We help maintain
freedom and a
well-deserved
high quality of life.*

You can trust our caregivers to be the very best. You can trust our Licensed Practical Nurses to be the very best. Home Care Assistance Calgary, Licensed Practical Nurses are experienced, rigorously screened and passionate about assisting people in need. We run thorough background checks on our Licensed Practical Nurses, including driving records, employment authorization verification and an active enrollment through their nursing association. Our Licensed Practical Nurses are bonded, insured and monitored by our Clinical Client Care Manager that builds trusted relationships with families to ensure our nurses are providing the highest caliber of care to their loved ones throughout the length of service.

Relief and support for everyone. Home Care Assistance Calgary understands the time and sacrifice of caring for your aging loved one can take a toll on your mental and physical health. With the support of our trustworthy nurses, we can provide you with peace of mind and your loved one with independence at home. Professional help will improve your overall wellbeing and quality time spent with your loved one. Our Skilled Licensed Practical Nurses offer assistance with insulin administration, blood glucose monitoring, injections, catheter changes, clysis infusion,

Can't say enough good things about HCA. The team is extremely organized and efficient and responsive to the changing needs of their clients. Staff were in place quickly, all caregivers are pleasant, compassionate and competent, and the "family room" online site contains daily reports from the caregivers and scheduling calendar which are extremely helpful. Highly recommend this agency.

-Terry H., Son of Client

g-tube feeding, wound care, ventilator care, patient teaching and post-surgery care.

We specialize in 24 hour care. We specialize in 24 hour care. 24 Hour care provides all clients with full time around the clock care.
